Dear Pat:

Thanks very much for your letter of October 18th and my apologies for not answering it sooner, but I have been out of the city.

We are very pleased that you are interested in following up our discussion and I think it would be best if you and your team could come out to visit us here [redacted]

STAT

I would like to suggest either the 15th of November or the 26th of November. If neither of these dates is convenient, I would like to move the visit up to anytime during the week of the 9th of December. I certainly hope one of these dates will work out for you.

As we are right on the [redacted]  
[redacted] you could come out around ten o'clock; we could have about a two hour briefing, have lunch and then finish up in the afternoon so you could get out in time to be home for dinner. Look forward to hearing from you when it will be possible for you to come.

STAT

It was certainly good to see you the other day and sorry I didn't see you at the Army Association meeting.

Sincerely,
